

# National AHEC Organization

*An Invitation to the AHEC Community*

## To Recognize Our Most Outstanding Projects and Individuals

The NAO Awards Committee is now accepting nominations for the NAO Awards for Excellence, which will be presented at the 2010 National AHEC Workshop in Los Vegas.

At each of the bi-annual national workshops, the National AHEC Organization recognizes projects and individuals that epitomize the AHEC spirit of excellence in four major categories:

- ❖ [AHEC Center Awards for Excellence](#)
- ❖ [Eugene S. Mayer Program of Excellence Award](#)
- ❖ [Red Koelling Award for Service to AHEC](#)
- ❖ [Andy Nichols Award for Social Justice](#)

We encourage you to visit the NAO Awards website ([www.nationalahec.org](http://www.nationalahec.org)) and check the upcoming events section for the link to the awards page. You may nominate yourself, as sometimes, you are the person/organization who best knows your work. No individual or organization may receive more than one award in a given year and no program or initiative may receive an award more than once.

The deadline for nominations is **March 10, 2010.**
