The *Journal of Health Care for the Poor and Underserved (JHCPU)* is an academic journal founded by Dr. David Satcher. *JHCPU* (published by *Johns Hopkins University Press (JHUP)* for *Meharry Medical College*, and affiliated with *ACU*) is the premier journal covering medically underserved populations in North and Central America, the Caribbean, and sub-Saharan Africa. *JHCPU* is a leading *health policy* journal (Kaiser) and an essential core journal in *public health practice* (Medical Library Association’s Core Public Health Journals Project).

- The online database that carries the Journal is Project Muse.
- In 2011, *JHCPU* 145,813 articles were downloaded from Project Muse.
- Of all the journals in JHUP’s Project Muse, *JHCPU* is in the top 1.4% for number of downloads per year (7th out of 498 journals).
- The Journal’s five-year Impact Factor is 1.375; simple Impact Factor is 1.1; total cites=882. [2012 JCR Social Science Edition]
- We accept approximately 15-20% of the 600+ manuscripts that are submitted to us each year.
- Subscriptions are available to both individuals and institutions, online and/or in print form.

*Owner, editorial offices, publisher, affiliated membership organization*
